MEMORANDUM FOR: Chief, Physical Security Division/OS
ATTENTION : Chief, Building Security Branch/OS
SUBJECT : Office of Research and Development
County Fair
REFERENCE : Memorandum for the Record dated
12 September 1968

1. In connection with the referenced memorandum and subsequent discussions between members of the Security Management Staff, DD/S&T, and Building Security Branch, one of the problems associated with security support for the County Fair was the subject of providing guards during certain periods in the preparation and conduct of the County Fair. The latest conclusion on this issue was that it was determined it would be possible to utilize on an overtime extra-duty basis members of the safe service and repair unit.

2. For planning purposes, conferences were held with [REDACTED] to determine specific time needs for guards during the preparatory period and exhibit period of this County Fair. Please find as an attachment to this memorandum a time schedule during which it has been determined security guards for the County Fair site will be needed. The subject of financial remuneration for the guards has been examined with the Director, Office of Research and Development, and he has approved overtime for the above-referenced individuals to be charged to his accounts. Should you need any further information pertaining to this support requirement, please
